Referring a patient

To refer a patient to Eye Surgery Associates, simply choose from one of these convenient methods:

- Email referral (non urgent)** to referrals@eyesurgery.com.au. Please include the patient's full name, date of birth, mobile number and address.
- Oculo** - [Log into your Oculo account](#) and select the Doctor within the area of specialty at the preferred location.
- Referral Form** - download our A5 Referral Request (PDF), complete and email referrals@eyesurgery.com.au. Non urgent referrals may be completed online with the referral uploaded or emailed.
- Urgent Referral / Urgent Retinal Detachment service** - For urgent referrals, call **03 9416 0695 opt 4** to ensure immediate triage and a timely appointment. By selecting option 4, you will speak to a member of our clinical team.
- After-hours emergencies** – outside of clinic operating hours, please contact the Royal Victorian Eye and Ear Hospital (RVEEH) on 03 9929 8666.
- To request referral pads, business cards, or digital assets, please complete the online requestform or email marketing@eyesurgery.com.au.
